 - b) Have you served on a VNC Committee? Which one and for how long? No
 - c) Please state your professional qualifications or related experience relevant to this position. I'm a television producer which requires strong communication skills, dealing with budgets (small and large), as well as diplomatic problem solving.
 - d) How long have you been a stakeholder in the VNC area? Over 25 years

- 2) Please list your previous and/or current neighborhood or community involvement.
Volunteer at the Boys & Girls Club, member of the Oakwood Park Advisory Board
- 3) Please list the three most pressing issues that you feel are facing the Venice Community.

- 4) What do you see as the primary roles of the Venice Neighborhood Council?
To help neighbors connect and advocate for changes within our community.
- 5) What is your Vision for Venice? A united community that is proud of where they live and who they live there with.

- 6) Are you willing to participate in a VNC committee? Which committee interest you and why? Yes - willing. I'd love to learn a little more about the committees but perhaps Land Use & Planning or Neighborhood Committee

I'd like to serve on the VNC Board because I truly love our community and want to give back in the ways I can. I think we are currently facing many challenges from public safety and livability, achieving the goals of stakeholders on a tight budget, as well as a need for unification in our community so we are fighting for each other - not with each other.
