MOTION: Request VNC Board approve the below **Strategy** to deal with LA's homelessness crisis:

Develop a set of policies and laws which would encourage private and public efforts to provide more less-expensive 'homes' in existing LA residential communities in a way which would become, over time, within the economic reach of ownership by less wealthy residents – 'homes' where they and their families would feel they 'belong' to a 'community' without the fears common in 'ghettos' – an approach designed to create & then maintain a systemic housing supply/demand balance in all of LA's residential communities – beginning with interim measures such as the Bridge Home concept until the above objectives are implemented.

This Strategy is a framework which can encourage implementation of the Diversity Vision Goal:

Consider strategies that encourage & facilitate realistic recommendations designed to increase economic diversity, including affordable housing, etc.

and it does so within the broad intent of the VNC Vision Goals:

... to promote a more proactive, collaborative vision for VNC Committees to include in their deliberations as they formulate recommendations for Board consideration, the intent [being] to create a working framework of integrated strategies capable of achieving, over time, broader consensus and increased ... [Focus on Children, Participation, Walkability, Diversity, Creativity, Collaboration, Brainstorming]

Discussion Forum Committee (DFC)

Mission Statement

The DFC mission is to provide a monthly forum for discussion of long-term matters affecting the Venice Community within the context of the below VNC Vision Goals

The VNC Vision Goals were adopted unanimously by the Board on April 21, 2009 as Standing Rule 20 and amended unanimously by the Board on May 20, 2014 to insert the Focus on Children Vision Goal.

VNC Vision Goals

To stimulate the vitality of the VNC, the Board and VNC Committees are encouraged to consider the below VNC Vision Goals in their deliberations.

Although the VNC is a political body, and inevitably it may become embroiled in issues that divide the community, these goals are designed to promote a more proactive, collaborative vision for VNC Committees to include in their deliberations as they formulate recommendations for Board consideration. The intent is to create a working framework of integrated strategies capable of achieving, over time, broader consensus and increased:

Focus on Children

Consider strategies that promote & expand opportunities for children to experience direct meaningful involvement in all aspects of the social and economic and cultural activities of the Venice Community. Include this Focus on Children as an integral part of the consideration of strategies in all of the below Vision Goals.

Participation

Consider strategies that encourage & facilitate broader involvement of stakeholders, major organizations, community groups, and government institutions, etc.

Walkability

Consider strategies that reduce the use of cars and that promote alternatives such as walking, skateboarding, biking & bike racks, circulation systems (trolleys), park & ride rather than additional parking, street-narrowing/sidewalk widening, walk/bike/skateboard lanes separated from traffic, easier neighborhood pedestrian access to commercial stores, etc.

Diversity

Consider strategies that encourage & facilitate realistic recommendations designed to increase economic diversity, including affordable housing, etc

Creativity

Consider strategies that promote the arts, encourage & facilitate creativity. This can apply to architecture, public art, social events (neighborhood gatherings/street movies/theatre/dance/pottery/...), etc.

Collaboration

Consider strategies that encourage & facilitate 'level playing fields' for collaborative negotiation; opt for procedures & policies that 'promote flexibility & dialogue' over 'reacting defensively to rigid criteria', facilitation/mediation training, etc.

Brainstorming

Consider strategies that encourage & facilitate exploring of non-traditional options for achieving shared objectives, etc.
