PROJECT DESCRIPTION SHEET

PROJECT DESCRIPTION (Include how many stakeholders will be working on this project.) (Maximum 500 words)

THE VENICE ART CRAWL WOULD LIKE TO PUT TOGETHER AN ART CRAWL THEMED AROUND DELIVERING A MESSAGE TO "BE GREEN" IN A CREATIVE WAY. AT THIS "BE GREEN" ART CRAWL NIGHT WE WANT TO CURATE ART SHOWS AT VARIOUS ESTABLISHMENTS IN THE WINDWARD CIRCLE AREA. THE ART WILL BE CREATED BY LOCAL ARTS THAT WORK WITH RECYCLED, SUSTAINABLE, ENVIRONMENTALLY FRIENDLY MATERIALS. WE WOULD LIKE TO ENCOURAGE LOCAL ARTISTS ~~TO~~ TO CREATE ART THAT DELIVERS THE IMPORTANCE OF WHY WE NEED TO BE MORE ENVIRONMENTALLY CONSCIOUS AND HAVE A FOCUS ON BRINGING AWARENESS TO ENVIRONMENTAL ISSUES THAT ARE PREVALENT IN OUR EVERY DAY LIVES.

(see attached)

COMMUNITY BENEFIT (Description of benefit to the entire community and justification for these benefits)

RETURN ON VNC INVESTMENT (One of the main missions of the VNC is to outreach to Venice stakeholders so that we can represent them to the City. Will this project help us do that, and in what ways).

THE VNC'S SUPPORT OF THIS PROJECT WILL BRING THE COMMUNITY TOGETHER AND THEY ARE WILLING TO PARTICIPATE THAT BE A PART OF A POSITIVE COMMUNITY DEVELOPMENT PROJECT.

### Project Description:

The Venice Art Crawl would like to put together an art crawl themed around delivering a message to "Be Green" in a creative way. At this "Be Green" Art Crawl night, we want to curate art shows at various establishments in the Windward Circle area. The art would be made by local artists that work with recycled, sustainable, environmentally friendly materials. We would like to encourage local artists to make art that delivers the importance of why we need to be more environmentally conscious and have a focus on bringing awareness to environmental issues that are prevalent in our everyday lives. Some of the specific environmental issues we would like to address at this event is our water shortage, amount of plastics we use and garbage we create and littering in our environment.

We would also like to launch the "Leave No Trace" Campaign. The "Leave No Trace" Campaign will address the issue of littering in our community. Windward Circle is an area highly impacted by visitors, in fact most of Venice are during the high travel season due to our proximity to the beach and the great environment our community has created. The downside to having a great community that is highly visited is that the visitors are often not the best at keeping our area clean.

The campaign will entail an open call for artists that will be given a stipend to create and to submit art with the "Leave No Trace" message. The leave no trace message is intended to remind visitors of our community to not litter and leave their trash wherever they want in our community. The art submitted by the artists will be shown to the community at the night of the event. There would also be a selection process for the community's favorite pieces. The art selected as community favorites will be reproduced for the community to use whether they are a homeowner or a business owner.

The Venice Art Crawl has put together other community events but this will be the first time the Venice Art Crawl is putting together a crawl that focuses on a strong "Be Green" message. This event will be free to the community. Our events are mostly volunteer run but there are some associated costs that we cannot cover such as art materials for artists, printing costs, meals for volunteers that do a massive clean up after the event to to make this project a success.

Description of Benefit to the Community:

This event will provide a platform for local community artists to show their art in non-traditional spaces and be seen by many people. It also creates an added incentive for people in the community to go out and see art locally, locals spending their money in the Venice community. A message to "Be Green" will be delivered to the community. The "Leave No Trace" campaign will give locals and businesses the option of posting a creative sign that reminds visitors to not litter and trash our streets. The campaign will raise awareness creatively so that it will create a lasting impact to visitors so that in turn we can have less trash littering our streets.

March 19, 2015

To the Venice Neighborhood Council,

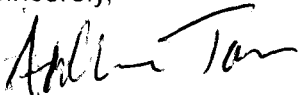

I would like to express my support for the upcoming Venice Art Crawl's Green Event on March 17, 2016. The Venice Art Crawl puts together well organized events that brings the community together. They also provide a platform for local community artists to show their art in non-traditional settings such as restaurants, clothing stores, empty lots, even a sidewalk. This gives our local artists a chance to be seen by many people.

Another good result of what the Venice Art Crawl does by placing art in local businesses is that they create an added incentive for people in the community to go out and see local art and spend their money at these businesses.

I think it's long overdue that the Venice art community' makes the awareness of preserving the environment part of their agenda. The Venice Art Crawl Be Green Event addresses this by encouraging artists to create art from recycled and sustainable materials that have an environmental message.

The Venice Art Crawl is currently an all volunteer run committee and is a strong influence in creating a bonded community that can work together to solve issues that are beyond art.

Sincerely,

Dear Venice Neighborhood Council,

I am writing to enthusiastically recommend that the Venice Art Crawl be awarded a grant by your agency to fund Venice Art Crawl's Green Event March 17, 2016.

The Venice Art Crawl (VAC) is an organization by and for the people and was established August 2010. VAC's goal is to foster and reinvigorate the creativity that has historically made Venice such a vibrant and spirited community. I have personally been involved as an artist presenting performance and poetry in many successful VACs experiencing first hand the importance and the impact this organization brings to the Venice community.

The Venice Art Crawl's Green Event aims to bring awareness in preserving the environment by asking artists to produce art from recycled items that have an important message such as: "Leave no trace." This all volunteer organization is proud of its community and wants to honor this unique town by encouraging cleanliness and beauty, and at the same time promote local artists who have a personal investment in this community by the sea.

The VAC Board of Directors have worked tirelessly these last five years to produce innovative fresh happenings and the Green Event will fortify this unique people focused organization and add a specialness to St. Patrick's Day 2016.

As a Venice artist and resident, I wholeheartedly support the Venice Art Crawl's Green Event as it will beautify the environment leaving a lasting impression on community members, artists, local businesses and tourists.

Sincerely,
