**5. President is *ex-officio* (Jim Murez)**

**a. Item for discussion and possible action:** This motion was presented at the previous VNC Board meeting and was sent back to committee for further discussion and re-wording. I have added to the motion that this new rule will not be in conflict with the Bylaws, and more specifically section 1(F) which indicates that no Board member shall be on LUPC committee unless they are the chair of the LUPC committee.

**b. Public Comment**

**c. Committee Discussion**

**d. Motion: to approve the following addition to the standing rules:** “President is an *ex officio* member of every committee so long as, in so being, the President’s membership does not conflict with the Bylaws, for example, as is the case with LUPC.”

## NEW BUSINESS

### 8. Request for Revision of Proposed Amendment to DONE Code of Conduct (WRAC)

- a. **Item for discussion and possible action:** This was presented by Westside Regional Alliance of Councils. Board of Neighborhood Commissioners (BONC) is reviewing amendments presented by Department of Neighborhood Empowerment (DONE) granting additional discretion for determining guilt and imposing penalties. They are recommending that the Workplace Equity Policy be incorporated into the new amendments proposed. See <https://westsidecouncils.com/motion/request-for-revision-of-proposed-amendments-to-done-code-of-conduct/>
- b. **Public Comment:**
- c. **Committee Discussion:**
- d. **Motion:** Whereas, the Board of Neighborhood Commissioners has before it consideration of proposed amendments to the Code of Conduct Policy applicable to Neighborhood Council Board and Committee Members;

Whereas, the existing Code of Conduct applicable to Neighborhood Councils should be amended to create a greater enforcement mechanism; and

Whereas, the proposed amendments to the Code of Conduct submitted by the Department of Neighborhood Empowerment (“DONE”) to the Board of Neighborhood Commissioners (“BONC”) grant too much discretion to DONE in determining guilt and imposing penalties.

Now, therefore, be it resolved that:

BONC is advised against approving the proposed amendments to the Code of Conduct in their current form;

The [\_\_\_\_] NC/CC] requests that the Department of Neighborhood Empowerment, in consultation with an ad hoc group of Neighborhood Council members, revise the proposed amendments to ensure they afford Board and Committee members adequate due process rather than granting the Department sole discretion to immediately suspend a Member based on an alleged violation of applicable rules;

Any amendments to the Code of Conduct must take into account varying degrees of conduct when considering suspension and appropriate penalties, if warranted;

The Code of Conduct shall require that the minimum correction necessary to address any issue be used;

The Workplace Equity Policy shall be incorporated into the proposed amendments to the Code of Conduct only if formally adopted by the City prior to the Neighborhood Council City Department Review process, and in the alternative, the Code of Conduct shall incorporate the City’s Workplace Violence Policy and Guidelines.

**9. Request for Ballots to all registered Voters for VNC elections (Nick Antonicello)**

- a. Item for discussion and possible action:** That the current voting qualifications fail to take into consideration the fact the LA City Clerk already has in possession all of the duly registered voters in the neighborhood of Venice and that this voter file serve as the primary stakeholder list for voting. And that all non-registered voters such as property owners, employees and such apply for a ballot and be vetted by the LA City Clerk's Office. To ask registered voters to apply for a ballot is a text book example of voter suppression when asking for information the Clerk already possesses. That the board endorse this voter policy change and make these voter qualifications before the 2023 VNC election.
- b. Public Comment:**
- c. Committee Discussion:**
- d. Motion:** to have the City of Los Angeles, beginning with the 2023 Neighborhood Council elections, change the City's voting procedures so that all registered voters will be mailed a ballot automatically, all registered voters will be able to vote by mail or in person at an approved polling station during the in-person voting processes currently in place, and that all non-registered voting stakeholders continue to adhere to the process of qualification and approval by the LA City Clerk's Office.

**10. Direct Appointment by VNC President Require Advice and Consent of the Full Board (Nick Antonicello)**

- a. Item for discussion and possible action:** That all "direct" appointments by the President of the Venice Neighborhood Council require an advice and consent roll call vote of said appointment and that such appointee be required a majority vote of the council. Furthermore, that all direct appointments by the President must require a "statement of candidacy" by the nominees along with any resume or other information that will assist the full board in making an informed decision.
- b. Public Comment:**
- c. Committee Discussion:**
- d. Motion:** to amend the VNC by-laws to require that all positions currently filled at the discretion of the President be filled by a majority vote of the VNC Board after candidates submit a "statement of candidacy" by the nominee(s) along with any resume or other information that will assist the full board in making an informed decision.

**11. Identification of stakeholders/speakers during public comment or participation (Nick Antonicello)**

- a. Item for discussion and possible action:** Identification of stakeholders/speakers during public comment.
- b. Public Comment**
- c. Committee Discussion**
- d. Motion:**

WHEREAS, the current identification of a speaker during VNC meetings and their corresponding committees is non-existent;

WHEREAS, valuable time and energy is wasted due to the lack of identification in which many cases the comment is off topic and for the most part, irrelevant; and

WHEREAS, speakers have an obligation to identify who they are for the record and if they have standing as a stakeholder.

THEREFORE BE IT RESOLVED, that the Venice Neighborhood Council require that all speakers and stakeholders address the board or committee with a first and last name as well as an address as part of the public record.

**12. Amendment to Standing Rule #14 (Michael Jensen)**

**a. Item for discussion and possible action:** Request: I propose the Rules and Election committee amend VNC Standing Rule #14 pursuant to the attached redline document.

**b. Public Comment**

**c. Committee Discussion**

**d. Motion: to approve the following addition to Standing Rule No. 14 as follows:**

Consent Calendar items are motions of Standing Committees considered to be routine by the Administrative Committee. Board approval of the Consent Calendar constitutes approval of all motions contained therein. There will be no separate discussion of Consent Calendar motions unless a Board Member or a stakeholder requests removal of the item from the Consent Calendar, in which case the Chair will place the item on the regular agenda where the Chair deems appropriate. Anyone wishing to contest a Consent Calendar item on the Board agenda must appear in person at the Board meeting and state to the Board good cause for the item to be removed from the Consent Calendar. The Chair shall have sole discretion to determine what constitutes good cause.

Comments from the public on agenda items will be heard only when the respective item is being considered. Comments from the public on other matters not appearing on the agenda that are within the Neighborhood Committee jurisdiction will be heard during the General Public Comment period.
