8. Coastal Exemptions Task Force – Status Report, Robin Rudisill, Chair & Todd Darling
Examples include: 128 Wave Crest Ave (Substantially Contributing Structure in most pristine neighborhood of North Venice Walk Streets historic district per SurveyLA), 700 Indiana Ave, 658 Venice Blvd (“ExtraSpace Storage”), 1507 Oakwood Ave, 911 Milwood Ave, 906 Superba Ave, 635 San Juan Ave (see Active Cases Pending Status on Mello Determinations, below), 230 San Juan Ave, 333 Windward Ave (see agenda item, below), 648 Milwood Ave, 639 Santa Clara Ave, etc.
Issues include: possible Mello Act workaround, especially if affordable unit determination is issued and then applicant switches to Coastal Exemption, not consistent with CEQA exemption being used (for new construction vs. for minor interior/exterior alterations involving remodeling or minor construction), *consistent use of materially misleading project descriptions*, no Public Process, approved immediately, limited appeal rights (with no notice), non-transparent to Public AND Coastal COMMISSION, no analysis of compatibility of scale, mass and/or character, exempt from adherence to the Coastal Act or LUP, Applicants changing from CDP to CEX with no Notice to Interested Parties, ZAA cases after determined exempt, numerous process deficiencies resulting in breach of Procedural Due

9. **CONTINUED** Amendments to the Venice Land Use Plan, Robin Rudisill, Chair (Returned by AdCom for more detailed recommendation):
- Correct the definition of Remodel (the LUP definition is not the definition for the Coastal Zone as is indicated and is also not consistent with the CEQA definition, which is for minor interior or exterior alterations (which COULD be measured by assuring retention of 50% of the STRUCTURE
 - Add SurveyLA-identified Historical and Cultural Resources
10. Short-Term Rental Legislation Update, Dr. Judith Goldman, Chair of LUPC Short-Term Rentals Education & Awareness Working Group – See Council File for most updated information: *Council File 14-1635-S2*
