9. Commercial Corridor and Spot Zoning Realignment

Draft Motion:

Whereas commercial corridors in Venice have over many decades been subject to spot zoning and/or otherwise have been inadvertently rezoned without outreach to the Property Owners or Neighboring Residents
And

Whereas the Venice Land Use Plan Policy I. B. 2. states ...The design of mixed-use development is intended to help mitigate the impact of the traffic generated by the development on coastal access roads and reduce parking demand by reducing the need for automobile use by residents and encouraging pedestrian activity.

Therefore the VNC shall recommend to the City Planning Dept and the Coastal Commission that Properties (List of Properties TBD) along commercial corridors in Venice be rezoned to Commercial Use as part of the LCP and Community Plan update.
