2. Neighborhood Committee

Neighborhood Committee nominations shall remain open pursuant to the existing VNC ~~elect~~
~~ion~~selection procedures until all positions are filled.

~~The Neighborhood Committee shall develop criteria, subject to approval by the Board, for recommending Board allocation of budgeted Community Project funds. The Neighborhood Committee shall consider all projects presented to them during the fiscal year and make recommendations for the expenditure of at most 2/3 of the total Community Projects budget at the final Board meeting before the conclusion of the fiscal year. The Neighborhood Committee shall facilitate this process by compiling and maintaining a list of all known, Board recognized, neighborhood organizations in Venice, and be required to notify each and those organizations via mail and/or email, on at least an annual basis, and at least 8 weeks before funds become available for distribution. Funding shall not be limited to the aforementioned neighborhood organizations. The allocation of the remaining Community Projects budget may be recommended to the Board by the Neighborhood Committee throughout the fiscal year on a project by project basis based on the above referenced, Board approved criteria. All recommendations for allocation of Community Project funds must also receive Budget Committee review and approval prior to consideration by the Board.~~

~~3. Community Improvement Project Funding Guidelines~~

~~The Venice Neighborhood Council as part of its mission to improve the quality of life within our community will be supporting community improvement projects out of its yearly allocation of funds from LA City.~~

~~Two thirds of these community improvement funds will be distributed through a review process coordinated by the VNC Neighborhood Committee with final recommendations confirmed by the VNC Board. The remaining one third of community improvement funds will be distributed directly by the VNC Board.~~

~~The Board portion of community improvement funds can only be used for Board-generated projects or sponsorship of Board or Committee events. All applicants must complete the community improvement application packet which is basically the same as the one used by the Neighborhood Committee for allocation of its portion of community improvement funds.~~

~~Community improvement projects must directly benefit the Venice community. Concerns about whom and how many individuals will benefit will also be considered, along with issues of community access and fairness. All projects must also conform to the funding guidelines of the Department Of Neighborhood Empowerment (DONE).~~

~~Projects may encompass a wide range. They can include, but are not limited to: The Arts, Beautification, Community Support, Education and Capital Improvements.~~

~~When submitting an application ask yourself the following questions:~~

 - ~~○ It should be on public property~~
 - ~~○ There must be coordination with appropriate City agencies (i.e. Street Services, Fire, Rec & Parks & etc.)~~
 - ~~○ Appropriate permits need to be in place~~~~
- ~~• Is this for program services (i.e. after school program, graffiti removal, etc.)?
 - ~~○ If for a select group of individuals, the applicant must create a fair selection process to establish participants~~
 - ~~○ The service program needs to be provided by a legitimate non-profit consultant. The VNC or its members should not provide these services~~
 - ~~○ If the item/service purchased is \$5000 or over, at least three informal bids/prices should be examined and presented. Effort should be made to secure the best prices~~~~
- ~~• Is this for equipment and supplies?
 - ~~○ Equipment and supplies can only be used for the benefit of the community~~
 - ~~○ Equipment can not be turned into private property or salvaged without prior approval by DONE~~
 - ~~○ Purchases for private organizations need to benefit the local community. Purchases intended for private and or paid use are not allowed~~~~
- ~~• Is this an Event?
 - ~~○ Events must be open to the public~~
 - ~~○ There should not be an admission charge~~
 - ~~○ Discuss appropriate liability issues~~~~

~~Applicants requesting a percentage of funds as part of a larger project must submit proof of the commitment of all remaining funds at the time of application. All Community Impact Projects must be completed within one year of the date that the VNC Board awards the funds. Any extension of a Community Improvement Project's approved project timeline must be approved by a majority vote of the Administrative Committee [Adopted 090818].~~

- b. The freedom to express one's views about public matters is a cornerstone of the democratic process. The Venice Neighborhood Council welcomes the diverse views and opinions of our board members and stakeholders as they relate to the issues before us. In order for these discussions to be meaningful and effective, we must treat others with respect and dignity.
- c. We collectively and individually agree to abide by the following Code of Civility to the best of our abilities.
 1. I will conduct myself in a professional and civil manner at all times as a representative of the Venice Neighborhood Council.
 2. I will treat each member of the board and members of the public with respect at all times, regardless of an individual's opinion, ethnicity, race, sexuality, age, disability, or religion.
 3. Even in the face of disagreement or differences of opinion, I will demonstrate esteem and deference for my colleagues and the public.
 4. Under no circumstances during Neighborhood Council meetings, functions, or events will I engage in or threaten to engage in any verbal or physical attack on any other individual.
 5. I will commit to communicate my ideas and points of view clearly, and allow others to do the same without interruption.
 6. I will not use language that is abusive, threatening, obscene, or slanderous, including using profanities, insults, or other disparaging remarks or gestures.

7. Derogatory language about an individual's ethnicity, race, sexuality, age, disability, or religion is not acceptable.
8. I will take responsibility for my own actions, and will work to fulfill my role and responsibilities as specified in the bylaws.
9. I will commit to learn the applicable laws that govern Neighborhood Councils, including bylaws, standing rules, the Brown Act, ethics rules, city ordinances, and the City Charter, and will not knowingly violate any of the above.
10. I will abide by the Neighborhood Council's meeting procedures or rules in order to create a safe and effective environment for conducting business.
11. I will promote and enforce a safe meeting environment at all times. At moments when members of the public become disruptive and violate the rules of civility that we have pledged to follow, I will join my fellow board members in demanding that the persons conduct themselves in a respectful and orderly manner even if I agree with the point of view that is being expressed.
12. I will seek to present information truthfully, and will not knowingly misrepresent, mischaracterize, or misquote information received from others.
13. I pledge to truly listen to and hear other points of view.
14. I will practice the art of being able to disagree without being disagreeable.
15. If I find myself representing my personal interests before my community's interests, I will publicly disclose the differences and recuse myself from voting on such matters.
16. I will commit to good faith efforts to resolve any grievances that come before the board as specified in the bylaws.
17. I owe it to my fellow board members, the public, and the decision-makers who we are trying to influence to make the best possible effort to understand the issues before me. I will "do my homework".

10. Meetings: Code of Ethics

~~Any member of the Board of Officers of the VNC who has a financial or material pecuniary interest in an item, as defined by State, Federal or local laws, shall recuse themselves from voting on any item in question. Board members must receive a certificate of completion for the mandated Ethics training within 55 days of taking office, whether by appointment or election, or they will be prohibited from voting on any land use issues or financial expenditures of any city funds. This Standing Rule shall also apply to all members of the Budget Committee and Land Use and Planning~~

~~Committee effective August 1, 2013.~~

Board Member Certification Requirements

The Ethics Training is required by State Law, the Funding Training is a requirement in order to handle public funds, and the Code of Conduct is a Commission policy that was recently amended on January 12, 2015 to allow board members to take a training in lieu of signing the Code of Conduct and to extend the deadline to comply with the policy to April 3, 2015.

Ethics Certification

To take your Ethics Training, visit the Fair Political Practices Commission and login by entering your email and creating a password. You will be prompted through a 2 hour tutorial with some quizzes, concluding with a certificate which is emailed to you. Email this Ethics Certificate to Rosters@EmpowerLA.org and send a copy to your Neighborhood Council President or Secretary so they can also update their records. EmpowerLA will update the rosters three times a week and you will receive an acknowledgement and a confirmation.

Please note that if you are taking the Ethics training online, your completion certificate must show at least 2 hours of training, or it is not acceptable under state law. The Department is adopting a policy that any Board Member with a current Ethics certificate that does not show 2 hours of training must retake the training and provide a new certificate. You will not be able to vote on funding items (or any items depending on the Neighborhood Council bylaws) until you do so. This policy is prospective so it will not negate any votes already taken by Board Members with an invalid Ethics certificate.

11. Meetings: Rules of Decorum

- a. Rules of Decorum. During a meeting of the Venice Neighborhood Council or any of its

Standing or Ad Hoc Committees, there is the need for civility and expedition in the carrying out of public business in order to ensure that the public has a full opportunity to

If, after receiving a warning from the Chair, a person persists in violating the rules of decorum, the Chair shall order him or her to leave the Council or Committee meeting. Any person so ordered removed shall be excluded from further attendance at the meeting from which he or she has been removed, unless permission to attend is granted upon motion adopted by a majority vote of the Council or Committee. - c. Penalties. The length of time of the prohibition shall be based on the number and severity of prior incidents of disruptive conduct.

d. Removal Warning -Disruption of Meetings.

If the parties agree to mediation which fails to achieve a settlement, the mediation shall immediately be converted into a hearing and disposed of under the terms of this paragraph. In conducting a hearing, the persons hearing the matter are encouraged to use, at a minimum, the procedures outlined above, modified in their discretion to meet the needs of the situation.~~

16. Procedure for Board Consideration of Consent Calendar Items

Consent Calendar Items are motions of Standing Committees considered to be routine by the Administrative Committee. Board approval of the Consent Calendar constitutes approval of all motions contained therein.

There will be no separate discussion of Consent Calendar motions unless a Board Member or a member of the public requests removal of the items from the Consent Calendar, in which case the Chair will place the item on the regular agenda where the Chair deems appropriate. Anyone wishing to contest a Consent Calendar item on the Board agenda must appear in person at the Board meeting and explain to the Board the reason the item is contested.

The events and activities of other organizations may be publicized by the Venice Neighborhood Council only if the VNC Board of Directors agrees to sponsor or endorse such events, activities or organizations.

19. Dispute Resolution Service

Upon request by affected parties to a Venice-related dispute, the VNC will provide facilitation assistance to negotiations between them by maintaining and web-posting a list of willing facilitators from which the parties may choose and arrange appropriate meetings at their mutual convenience.

20. VNC Vision Goals

Adopted
090421

To stimulate the vitality of the VNC, the Board and VNC Committees are encouraged to consider the below **VNC Vision Goals** in their deliberations.

Although the VNC is a political body, and inevitably it may become embroiled in issues that

divide the community, these goals are designed to promote a more proactive, collaborative vision for VNC Committees to include in their deliberations as they formulate recommendations for Board consideration. The intent is to create a working framework of integrated strategies capable of achieving, over time, broader consensus and increased:

Focus on Children

Consider strategies that promote and expand opportunities for children to experience direct meaningful involvement in all aspects of the social and economic and cultural activities of the Venice Community. Include this Focus on Children as an integral part of the consideration of strategies in all of the below Vision Goals.

Participation: Consider strategies that encourage & facilitate broader involvement of stakeholders, major organizations, community groups, and government institutions, etc.

Walkability: Consider strategies that reduce the use of cars and that promote alternatives such as walking, skateboarding, biking & bike racks, circulation systems (trolleys), park & ride rather than additional parking, street-narrowing/sidewalk widening, walk/bike/skateboard lanes separated from traffic, easier neighborhood pedestrian access to commercial stores, etc.

Diversity: Consider strategies that encourage & facilitate realistic recommendations designed to increase economic diversity, including affordable housing, etc.

Creativity: Consider strategies that promote the arts, encourage & facilitate creativity. This can apply to architecture, public art, social events (neighborhood gatherings/street movies/theatre/dance/pottery/...), etc.

Collaboration: Consider strategies that encourage & facilitate ‘level playing fields’ for collaborative negotiation; opt for procedures & policies that ‘promote flexibility & dialogue’ over ‘reacting defensively to rigid criteria’, facilitation/mediation training, etc.

Brainstorming: Consider strategies that encourage & facilitate exploring of non-traditional options for achieving shared objectives, etc.

21. Limitation on Ratification of Bylaw Amendments

Adopted 090818

The Board cannot hold a stakeholder ratification for the same bylaw amendment or an amendment that addresses substantially the same issue in any six month period.

22. Outreach and Events Committee

A. Town Hall & Event Guidelines*

Adopted 090818

The VNC's Bylaws make the Outreach Committee and the Outreach Officer responsible for organizing our quarterly Town Halls. In 2007, the Outreach Co

committee appointed a Town Hall / Event Producer to provide continuity of supervision, expert knowledge, communications coordination and a single point of responsibility for all Town Halls. Our Producer oversees all areas of the event including approval of expenditures, programming, promotion, and physical arrangements.

While determining the topic of each Town Hall is the responsibility of the Outreach Committee, Town Hall content and planning is often delegated to one of the VNC's Standing or Ad-Hoc Committees. During the first stages of planning for each Town Hall, the Outreach Officer and Producer meet with those helping to organize the event and an Event Plan is agreed to and put in writing. The plan is established to insure efficient communications and decision making while maintaining the due diligence requirements imposed by our bylaws. Changes to the plan must be approved by the Outreach Officer.

The Producer will make sure that all VNC rules and procedures as well as any city ordinances governing Town Halls and Events are communicated to those planning Town Hall and events. It is the Producer's responsibility to periodically review Town Hall plans to insure that the established rules, procedures and ordinances are followed. As such, it is suggested that the Producer be invited to all planning meetings.

Town Hall expenditures must be approved in advance by the Producer and invoices / receipts properly submitted to the VNC Treasurer. (Note: Under LA City finance rules, the VNC cannot reimburse any expenditure by non-Board members)

The VNC Secretary is responsible for producing accurate minutes of Stakeholder, Board of Officers and Administrative Committee meetings. The VNC Standing & Ad Hoc Committees chairs are responsible for producing accurate minutes of their respective committees. The VNC Secretary and the VNC Standing & Ad Hoc Committees chairs are responsible for public posting of minutes on the VNC website no later than seven (7) days after the meeting at which they are approved but not more than 45 days after the meeting at which the minutes were taken.

25. VNC website posting authority

The VNC President, and Communications Chair shall have universal

authority to change the VNC web site.

26. Outreach Chair Duties / Responsibilities

Mission: To engage the broad spectrum of Stakeholders for collaboration and deliberation on matters affecting the community including events, issues and projects.

1. Chair Outreach Committee Meeting and Maintain Outreach Committee web page.
Holds regular monthly meetings and special meetings as needed.
Creates Outreach Committee meeting agenda and ensures the posting of the agenda and minutes in accordance with the Brown Act and VNC policy.

2. "Organize quarterly Stakeholder meetings and special events" (from Bylaws).

Three of the quarterly Stakeholder meetings are generally organized as "Town Halls"; the fourth meeting is the annual Venice BBQ, held in the summer. Event topics are selected by the Town Hall subcommittee of the Outreach Committee composed of the Outreach Chair, the President, the Event Producer (see below) and one or more Board Members.

The Event Producer (appointed by the Outreach Chair) provides continuity of supervision, expert knowledge, communications coordination and a single point of responsibility for all Town Halls. The Event Producer oversees all areas of the events including approval of expenditures, programming, promotion, and physical arrangements.

Town Hall content and planning is often delegated to one of the VNC's Standing or Ad- Hoc Committees. During the first stages of planning for each Town Hall, the Outreach Officer and Event Producer meet with those helping to organize the event and an event plan is agreed to and put in writing.

3. Coordinate VNC Tabling Activities

The Outreach Committee staffs a table at events throughout the year. The tables distribute literature about VNC and City events, issues and services; provide for direct interaction between stakeholders and VNC representatives; and provide a means for stakeholders to sign up for VNC emails.
