## **A 750 California Avenue**

For clarity, the applicants have referred to the front house as having the address 750 California Ave. and the back house as 752 California Ave., and this Motion follows that usage.

**MOTION:** The Venice Neighborhood Council recommends approval of the proposed Small Lot Subdivision at 750 California Avenue, on the following conditions:

1. The VNC supports the applicants' request, pursuant to LAMC Section 12.22.C.27(b), for the back house (752 California Ave.), to designate the front yard as the alley, with the back house orienting its front door to the alley.
2. The VNC supports the applicants' request for a reduction in the front and rear yard setbacks, with a ten (10) foot front yard setback for the front house (750 California Ave.) and six (6) foot front yard setback at second floor line for the back house (752 California Ave.), in lieu of the required 15-foot front yard setback. These setbacks are in accordance with the prevailing front yard and rear yard setbacks on the block.
3. The VNC does not support a reduction in the side yards setbacks, and recommends that the requirement of 5' side yard setbacks set forth in the the Small Lot Subdivision Ordinance, LAMC Section 12.22.C.27.(e), shall be followed.
4. The VNC supports the applicants' request for a 4-inch building separation in lieu of the required 10-foot separation between the front and rear buildings,, but only on the first floor of the proposed buildings, and only on the condition that there is a 5' building separation at the second floor between the proposed buildings, and this opening is shown on the building plans approved by the City, as indicated in the area circled in red on page A-5 on the plans for the front house (750 California Ave.).
5. Roof deck railings shall be set back 10' from the property line along both side yards.
6. There shall be no structure on the roof other than mechanical equipment and the roof access structure. Any plants or trees placed on the roof which become hedges shall be maintained in perpetuity so that they are no taller than the height of the guardrails, and shall be maintained so that

they are 75% transparent and they do not obstruct the light and air circulation for the adjoining neighbors to the east and west.

7. The VNC supports the applicants' request to allow parking in the side yards, unless the City finds that fire and safety issues are implicated.

8. A fifth, substandard parking space shall be created in the front yard setback of the rear house with access to the alley, where indicated on the plans, with level grasscrete and of dimensions 7½' x 15', as indicated in the area circled in red on page A-3.1 on the plans for the back house (752 California Ave.).

9. If an application is made which requests the modification of the conditions of approval of any kind, however minor or slight, all neighbors within a 100' radius shall be notified by mail, and said neighbors shall be given at least 30 days to respond before any decision or determination is made by the City.

**B** 1212-1222 Electric, Venice, 90291: CASE NUMBERS: ZA-2013-4078-CDP-ZAA-MEL; AA-2013-4076-PMLA; ENV-2013-4077-EAF

Project description: Demolish existing duplex, which re-establishes 2 separate original lots, and construct 3-story, 2-unit condo & 3-story SFD, both w/reduced front yard setbacks to 5 feet, and 2-unit condo w/reduced south side yard setback & reduced rear yard setback (both <=20%).

**MOTION:** The Venice Land Use and Planning Committee recommends that the Venice Neighborhood Council recommends approval of the proposed project, based on the following:

1. It meets the character, mass and scale of the surrounding neighborhood.
2. It meets the code (including VSP) for parking requirements.
3. The reduced front yard setback observes the prevailing front yard setback along Electric Ave.
4. The minor (<=20%) south side yard and rear yard setback adjustments for the 2-unit condo are justified because of the challenging shape of the lot.
5. It is across the street/adjacent from a commercial zone.

**E** **Support for SB1273, "Overturn Citizens United Act"** Michelle Sutter and Holly Mosher on behalf of "Money Out, Voters In"

**MOTION:** Whereas, California Senate Bill 1273, the OVERTURN CITIZENS UNITED ACT, introduced and amended by Senator Ted Lieu, would require the California Secretary of State to submit to the voters at the November 4, 2014 election, an advisory question asking whether the Congress of the United States should propose, and the California Legislature should ratify, an amendment or amendments to the United States Constitution to overturn Citizens United v. Federal Election Commission (2010) 558 U.S. 310, and other applicable judicial precedents, as specified.

Whereas, the Overturn Citizens United Act clearly states that we have the right to regulate and or limit spending on elections and that the rights and privileges granted by the US Constitution are the rights of natural persons only,

Therefore be it resolved, the Venice Neighborhood Council requests the City Council of Los Angeles to support Senate Bill 1273, the OVERTURN CITIZENS UNITED ACT, as introduced and amended by Senator Ted Lieu.
