Introducing from Underground Entertainment Use city channel; Yolanda Gonzalez (310 902-8690, fristmateyo@yahoo.com)

I would like to see if we can have our NC's meetings televised on the city channel sharing costs with other NC's which in my opinion is best outreach to the community. Underground Entertainment will introduce a possibility of how this project can be projected and introduced.

It will need funding, for projection and can bring in new students studying communications, in film and television as stakeholders. The funding can be combined with other NC's who would like this idea, since it will be televised through the city channel.

Discuss the idea, and if possible sent it to the Outreach Committee, to organize it better. This is the most inexpensive way of outreach to the stakeholders.

7. 8:30 – ADJOURN
