

Candidate Statement of Brett Broich Running for At-Large Community Officer

My name is Brett Broich and as a longtime resident of Venice I have developed an understanding of its strengths and challenges through interaction with City leaders and citizens.

I hope to get the rest of the neighborhood council more actively engaged in efforts to protect our streets and strengthen our ties with the LA city council during tough fiscal times. Additionally, I believe we must continue to produce diverse, collaborative partnerships between all residents and tourists. Furthermore, as a Community Officer I will ensure the core values of Venice are unaffected while promoting city quality, traffic and parking mitigation, as well as safety for all residents and businesses.

I ask for your support on April 11th so that I may vote for the issues that best serve us all. Thank you.
