

Candidate Statement for Brennan Lindner

My name is Brennan Lindner, and I was appointed to the Venice Neighborhood Council Board in April, 2008. I'm honored to be asking for your vote to confirm me as one of the VNC's Community Officers and to work with all the current members of the Venice Neighborhood Council.

The Council is continuing to make great strides in the issues of encouraging responsible development, public safety, and addressing the issue of homelessness in the area. My goal is to continue to encourage community involvement for all stakeholders with the Council and the sub-Committees.

I am the President of Generic Events, a sports marketing company that plans and executes community athletic events throughout Southern California. It is in this capacity that I've worked as a manager, marketer, and supporter of getting all people out exercising and managing their personal well being. I am also the proud father of a 2 year old, an avid tri-athlete and trail runner, and in my spare time, love playing table tennis.
