Dear Board of Recreation & Parks Commissioners:

I write to you as a concerned community member who utilizes Oakwood Recreation Center. The primary purpose of this letter is to make the City of Los Angeles and our Council District 11 aware of the community concern that Oakwood Recreation Center should not ever be considered for a Dog Park.

Should the topic of additional Dog Parks in West L.A. ever arise at your Commission meeting, keep in mind that Oakwood Recreation Center should never become an option. The community members who utilize Oakwood Recreation Center voiced their concerns. Moreover, what we will welcome is an increase in patrol to site dogs of leash for those offenders that are not abiding by the law. This concern is further evidenced by some community members who are currently treating Oakwood Park as a dog park, by allowing their dogs' off-leash when children and adults are present, which is also a violation of the City of Los Angeles Municipal Code 53.06.2.

There exists two communal off-leash dog parks in the West LA area: The Westminster Dog Park ½ mile away from Oakwood Recreation Center and Santa Monica Airport Dog Park a mile away from Oakwood Recreation Center. The Oakwood Recreation Facility is the only park in the Oakwood/Milwood area, that provides affordable day-care, summer camp, teen club and group sports for our children and we hope that Oakwood will continue to provide much needed after-school programming and a place for our children to engage in physical activities in many years to come.

Thank you for your time and consideration in listening to concerned community members.
