

DRAFT RECOMMENDATION OF THE POST OFFICE TASK FORCE FOR CONSIDERATION BY THE Board AT
THE EXTRA

VNC BOARD MEETING ON THURSDAY, JULY 28

The VNC supports the preservation of the historic Venice Post Office and "Story of Venice" mural created by artist Edward Biberman in 1941 and urges the post office to reconsider its decision to relocate the retail services currently located at the historic post office to the annex property.

In the alternative, the VNC urges the postal service to not take any action regarding any relocation until such time as a comprehensive plan with community input is developed that addresses the impact of the proposed relocation on the residential area surrounding the annex and the impact the relocation will have on the historic Post Office and public access to the "Story of Venice" mural.
