7) What is your opinion of the Venice Specific Plan?

It is o.k. It probably needs to be detailed further. Or at the very least, have someone readily available that can answer questions. regards

8) How do you view your role in private interactions with developers who have projects proposed before the Land Use and Planning Committee?

I currently have no role with any developers, past or present. However, I do have a role with a restaurant currently under construction.
