I have devoted my career to public service, having worked in both local and state government. I believe that public service is an honorable and fulfilling profession.

As a private citizen and community activist, I have organized and supported local groups that empower the community and improve the environment in which I live. I have worked with Treepeople, plants more than 30 trees in the Oakwood area and giving out fruit trees to over 50 neighbors. For several years, I organized and maintained the Oakwood Basketball Clinic.

In trusting me to serve on the Venice Neighborhood Council as your Community Officer, I promise you that I will work diligently to beautify our community and foster public safety
