#### **Questions:**

Please limit your answers to the 5 questions below to 200 words or less each.

# 1) Please explain why you wish to serve on the Neighborhood Council:

During my tenure as President of Anchorage Estates HOA, I have wanted to have a voice in the area decisions that impact our particular península. The beach parking with all its traffic impacts my front "yard", for example. Then, there is the bicycle traffic concerns. Of course, i enjoy participating in events that brings everyone together as well

2) Please describe your previous and/or current neighborhood or community involvement:

Since 2006 I have been the President of Anchorage Estates HOA. In the past, I was a Member of the Santa Monica Arts Foundation. During my children's school years, I volunteered on numerous committees.

Many years ago, I worked for the National Multiple Sclerosis Society as well as a private foundation as a fund raiser.

3) In your opinion what are the three most pressing issues facing the Venice Community?

The vehicular traffic is escalating. The bicycle traffic is rapidly outgrowing the bike paths\_and the maintenance of the local services that provide safety to visitors and residents alike.

4) The Neighborhood Committee is tasked with promoting awareness of available City resources and services by acting as a conduit between the Board and Venice neighborhoods, assisting in community outreach and bringing neighborhood issues to the attention of the Board.

### What are your suggestions for effectively fulfilling this obligation?

My experience so far in resolving neighborhood issues is limited . Hopefully, I could expand on the method that has worked so far: gather and organize issues; contact the correct official and plan on compromising in order to resolve issue.

### 5) Do you have a vision for Venice? If so, please describe:

# 6) Please list all committees, groups, organizations schools churches, agencies, with which you have regular communication.

Anchorage Estates HOA, Vassar College, Boston University, Crossroads School
