PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

Article I

Goals and Objectives of the Neighborhood Council System

The goals and objectives of the Plan are to:

- 1** Promote public participation in City governance and decision making processes so that government is more responsive to local needs and requests and so that more opportunities are created to build partnerships with government to address local needs and requests.
- 2.** Promote and facilitate communication, interaction, and opportunities for collaboration among all Certified Neighborhood Councils regarding their common and disparate concerns.
- 3.** Facilitate the delivery of City services and City government responses to Certified Neighborhood Councils' problems and requests for assistance by helping Certified Neighborhood Councils to both identify and prioritize their needs and to effectively communicate those needs.
- 4.** Ensure equal opportunity to form Certified Neighborhood Councils and participate in the governmental decision making and problem solving processes.
- 5.** Create an environment in which all people can organize and propose their own Certified Neighborhood Councils so that they develop from the grassroots of the community.
- 6.** Foster a sense of community for all people to express ideas and opinions about their neighborhoods and their government.

Article II

Desired Characteristics of Neighborhood Councils

Inclusive Membership

Certified Neighborhood Councils shall be diverse, inclusive, and open to all Community Stakeholders. A Community Stakeholder is defined as any individual who lives, works, or owns property in the neighborhood and any individual who declares a stake in the neighborhood and affirms the factual basis for it. *

2. Statement of Non-Discrimination

Certified Neighborhood Councils must encourage all Community Stakeholders to participate in all of their activities, and may not discriminate in any of their policies, recommendations or actions against any individual or group on the basis of race, religion, color, creed, national origin, ancestry, sex, sexual orientation, age, disability, marital status, income, or political affiliation.

3. Transparent Operations

Certified Neighborhood Councils shall adopt fair and open procedures for the conduct of their business.

4. Independent Entities

Certified Neighborhood Councils shall be as independent, self-governing, and self-directed as possible. The Department of Neighborhood Empowerment (DONE) shall assist Certified Neighborhood Councils to pursue options, including, but not limited to, tax-exempt status and/or non-profit incorporation, to strengthen their independence. Tax-exempt status and/or non-profit incorporation will have no effect on a Certified Neighborhood Council's eligibility for assistance, monetary or otherwise, from DONE.

Article III

Certification of Neighborhood Councils

DONE responsibilities. On July 1, 2001, after the adoption of the Neighborhood Council Plan, DONE shall:

- (a) Announce and inform the public of the Neighborhood Council certification process Citywide, but DONE shall not accept completed certification applications until October 1, 2001.
 - (b) Actively promote the formation of Certified Neighborhood Councils Citywide, giving emphasis to those areas and Community Stakeholder groups with traditionally low rates of civic participation in government.
 - (c) Facilitate and encourage collaboration and discussion among neighboring and overlapping applicant groups and provide technical assistance on how to proceed with a unified certification application, and provide dispute resolution services to applicants where more than one application is submitted for a Neighborhood Council boundary area to gain consensus on a unified certification application.
2. Components of a Certification Application. A certification application shall, at a minimum, include the components listed in this section.

Boundaries

- (a) A detailed description of proposed boundaries shall be provided, including a rationale for drawing the proposed boundaries. Neighborhood Council applicants within a proposed Neighborhood Council boundary shall, to the extent feasible, work together in setting boundaries.
 - In identifying proposed Neighborhood Council boundaries, applicants are encouraged to reference other types of existing boundaries, including, but not limited to, the following:
 - (i) Census tracts as a means of complying with the minimum population size of 20,000 Neighborhood Council Community Stakeholders.
 - (ii) City service and planning areas, such as police and fire districts or Community Planning Area boundaries.
 - A proposed set of boundaries should, to the maximum extent feasible, follow historic and contemporary community and neighborhood borders, and shall utilize natural boundaries or street lines and be geographically compact and contiguous.
 - The boundaries of two or more Certified Neighborhood Councils may not overlap with one another, unless the area for proposed inclusion into each

PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

Certified Neighborhood Council is designed for a public use, such as a park, school, library, police or fire station, major thoroughfare, or contains a landmark or facility with historical significance.

- The inaugural boundaries of all Certified Neighborhood Councils shall be the limits of the City of Los Angeles (City). The boundaries of a Certified Neighborhood Council are encouraged to remain within the City limits because the City can only guarantee delivery of its services to City residents.
- Neighborhood Council boundaries should be comprised of no less than 20,000 Neighborhood Council Community Stakeholders. Areas that have fewer than 20,000 Neighborhood Council Community Stakeholders may be certified provided they meet the following criteria:
 - (i) The proposed area is separated from adjacent communities by significant geographic features; or,
 - (ii) The proposed area is identified by name within any of the 36 adopted Community Plan Areas of the City Planning Department; or,
 - (iii) The proposed area represents a historic, identifiable neighborhood or community that is serviced by City service providers, such as a public library, park, recreation center, fire or police station, or a public school.
- A Neighborhood Council that comprises fewer than 20,000 Neighborhood Council Community Stakeholders must satisfy all requirements of this Plan.

Outreach

- (b) The outreach process used to identify stakeholders within the proposed Neighborhood Council boundary must be described in detail. In order to demonstrate a good faith effort towards achieving a diversity of stakeholder representation, an applicant(s) shall collect no less than 200 and no more than 500 signatures from stakeholders that have an interest within the proposed Neighborhood Council boundaries. Signatures shall, to the maximum extent feasible, reflect the broadest array of Community Stakeholders who will actively participate in the proposed Neighborhood Council.

Bylaws

- (c) Bylaws shall be established, including the following information.
 - (i) Neighborhood Council name
 - (ii) Stakeholder Membership and the Governing Body
 - (1) The bylaws shall state that the Neighborhood Council membership is open to all Community Stakeholders.

PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

- (2) The bylaws shall include a list of offices of the Governing Body and a method for regularly electing or selecting officers who shall serve as the Governing Body. For the purposes of this Plan, the term Governing Body refers to Community Stakeholders of a Certified Neighborhood Council who are empowered to make decisions on behalf of that Certified Neighborhood Council.
 - (a) A Certified Neighborhood Council's Governing Body must, to the extent possible, reflect the diversity of the Neighborhood Council's Community Stakeholders. Accordingly, no single Community Stakeholder group shall comprise a majority of a Certified Neighborhood Council's governing body, unless extenuating circumstances are warranted and approved by DONE.
 - (b) Terms of members of the Governing Body shall be for two or four years, to be decided upon by individual Neighborhood Councils. *
- (iii) Meeting procedures. Each Certified Neighborhood Council shall:
 - (1) Meet at least once per calendar quarter.
 - (2) Obey any or all sections of the State of California's open meeting procedures that apply to Neighborhood Councils (Ralph M. Brown Act), which includes posting meeting notices in generally accepted public places or through electronic media, such as e-mail or posting notice on DONE's Web page.
 - (3) Establish procedures for communicating with all Neighborhood Council Community Stakeholders on a regular basis in a manner ensuring that information is disseminated evenly and in a timely manner.
 - (4) A process for running meetings, including:
 - (a) The number of Governing Body members that constitute a majority and a quorum;
 - (b) The number of votes by a Governing Body for a Certified Neighborhood Council to take an official action, such as adoption of an item or position; and,
 - (c) The way in which a vote by the Governing Body or action by a Certified Neighborhood Council can be reconsidered, if applicable.

- (i) Prescribe a method for keeping a book of accounts that complies with applicable local, state, and federal laws, which includes any or all provisions of Generally Accepted

Accounting Principles that apply to a Certified Neighborhood Council, according to the type of entity established by a Certified Neighborhood Council.

- (ii) Discuss its finances at a regularly scheduled or special meeting, prior to submitting an account statement to DONE (as prescribed below), in order to gather input from Neighborhood Council Community Stakeholders.

- (iii) Ensure that each Certified Neighborhood Council's book of accounts shall be open to all Community Stakeholders of any Certified Neighborhood Council.

- (iv) Establish a process by which each Certified Neighborhood Council member can review the Certified Neighborhood Council's book of accounts.

- Each Certified Neighborhood Council's Governing Body shall include an officer named the Treasurer, whose duties shall include maintaining the Neighborhood Council's book of accounts, as prescribed by DONE, and submitting account statements to DONE no less than once and no more than twice during each fiscal year, the date(s) of which shall be prescribed by DONE. Refusal to submit accounting information as required by DONE shall be grounds for consideration of de-certification (as defined in Article VI, Section 5 of this Plan).

Ethics

- (e) Each Certified Neighborhood Council shall be subject to any or all applicable sections of the City of Los Angeles Governmental Ethics Ordinance (Los Angeles Municipal Code Section 49.5.1). 1. DONE staff shall evaluate a certification application to determine whether the application meets all of the criteria set out in Article III, Section 2, "Components of a Certification Application."
2. Once a certification application is submitted to DONE, the application shall be held by DONE for a period of 20 business days. During said period, DONE shall begin its evaluation of the application to ensure that it is complete.
 - (a) At the end of said 20 business-day period, if only one application is submitted that describes a specific set of boundaries for a proposed Neighborhood Council and if the application is complete according to DONE's evaluation, DONE shall:
 - (i) Forward the application, any accompanying information, and its recommendation to the Board of Neighborhood Commissioners (Commission) for consideration; and,
 - (ii) Notify the Neighborhood Council contacts (named in Article II, Section 2(f)), in writing, that the application has been forwarded to the Commission for its consideration.
 - (iii) If DONE fails to evaluate or forward the application (and any accompanying information, including its recommendation) to the Commission within said time period, DONE shall automatically forward the application without a recommendation to the Commission for consideration.
 - (b) If DONE receives two or more certification applications within said 20 business-day period that identify the same, similar, or overlapping proposed Neighborhood Council boundaries, DONE shall immediately notify, in writing, all contacts for all affected applicant groups in an effort to work with affected parties to produce a unified application. Applicants of the proposed Neighborhood Councils shall have 20 business days from the date notification is given by DONE to develop a unified application.
 - (i) If consensus is reached at any time within said 20 business-day period or at any time during an extended time period pursuant to Article IV, Section 2(b)(ii), said period shall be terminated and all applications shall be deemed received by DONE for evaluation. In the event that all affected applicant groups agree in writing to terminate, for any reason, the process of developing a unified application within the 20 business-day period, all applications, as originally submitted, shall be deemed received by DONE for evaluation. If no consensus is reached within or at the end of the 20 business-day period, the applications, as originally submitted, shall be deemed received by DONE for evaluation.

PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

- (ii) The 20 business-day period described in (i) above may be extended by DONE if all certification applicants make such a request in writing within the time period in (i) above. If no consensus is reached within or at the end of the 20 business-day period, the applications, as originally submitted, shall be deemed received by DONE for evaluation.
 - (iii) Once an application has been deemed received by DONE for evaluation through the processes described in (i) or (ii) above, DONE shall have ten business days to evaluate all applications as submitted. At the end of its ten business-day evaluation period, if DONE determines that all or some of the applications are complete according to DONE's evaluation, DONE shall forward the application, any accompanying information, and its recommendation to the Commission for consideration. If DONE fails to evaluate or forward the application (and any accompanying information, including its recommendation) to the Commission within said time period, DONE shall automatically forward the application without a recommendation to the Commission for consideration.
- (c) If, at any time during the processes described in this section, DONE determines that an application is incomplete, it shall return the application to the applicants along with a detailed list in writing of the missing components required in a certification application and suggestions on how to incorporate missing components. Applicants whose certification application was determined to be incomplete and returned by DONE may at any time re-submit the application after amending it to meet all the necessary criteria.
3. DONE shall have ten business days, from the date that it forwards an application to the Commission for consideration, to prepare, translate (if necessary), and post public notices that a group has applied for certification according to the following:
- (a) A copy of the notice shall be posted in at least five public, easily accessible places within the boundaries of the proposed Neighborhood Council. Examples of appropriate posting locations include, but are not limited to, libraries, police or fire stations, or DONE's Web site.
 - (b) Copies of the notice shall be posted for 15 business days.
 - (c) The notice shall be translated into all languages other than English that the City Clerk Election Division uses to produce sample ballot information if the proposed Neighborhood Council boundaries include communities where such languages are spoken. At the present time, a sample ballot is published in Chinese, English, Japanese, Korean, Spanish, Tagalog, and Vietnamese. This list of languages may change from time to time, and DONE shall be responsible for keeping current with said changes. DONE shall be responsible for translating the notice into any other language upon request.
4. Within the same ten business-day time period referenced in Article IV, Section 3, DONE shall provide written notice to the applicant group of the date that the Commission will conduct its public hearing during which the applicant's certification application will be considered.

PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

The following shall apply:
 - (a) The public hearing shall be conducted as part of the Commission's next regularly scheduled meeting or as part of a special meeting if no regularly scheduled meeting falls within said ten business-day period.
 - (b) The Commission meeting shall be conducted within the boundaries of the proposed Neighborhood Council.
6. During the meeting where the Commission conducts a public hearing for the purpose of considering a certification application, and at the close of the public comment period and after the Commission's deliberations, the Commission shall either approve or reject the certification application. With concurrence from the applicant, the Commission may defer its decision on a certification application until its next regularly scheduled meeting in order to receive additional information on a matter brought to its attention during its public hearing or to allow for more time to consider the application.
7. In a case where two or more certification applications have identified the same, similar, or overlapping Neighborhood Council boundaries, the Commission shall, based on all available information, make a final determination on how the final boundaries of each Neighborhood Council shall be drawn.
8. If the Commission approves the application, the applicants shall be deemed certified and recognized as a Neighborhood Council in the City of Los Angeles.
9. Early Notification System

DONE shall create and maintain an Early Notification System (ENS) in accordance with City Charter Section 907. The ENS is designed to supplement current state and local laws regarding public notification. The ENS will operate according to the following:

- 1 Subject to all other provisions of this Plan, all Certified Neighborhood Councils shall be provided access to a computer and to the Internet. DONE shall provide technical training on the use of a computer to each Certified Neighborhood Council.
2. An ENS Web site shall be created and maintained where information regarding the City Council and its committees and City boards and commissions will be available.
3. In addition to accessing information through the ENS Web site, Certified Neighborhood Councils will be able to subscribe to services whereby they will receive electronic mail notifications regarding updates to the information on the ENS Web site.
4. Information on the ENS Web site shall be provided as soon as is practical so that Certified Neighborhood Councils are afforded an opportunity to prepare and provide comments before decisions are made.
5. The City shall provide each Certified Neighborhood Council with an electronic mail (e-mail) address. The use of this e-mail address shall be limited strictly to official Certified Neighborhood Council business, such as communicating with Neighborhood Council Community Stakeholders about meeting times and places and communicating with the City on matters of importance to the Certified Neighborhood Council. Financial Accountability and Technical Assistance Policy

1. Preliminary Review of Expenditures

The DONE may make a preliminary review of any expenditure or financial transactions contemplated by a Certified Neighborhood Council to ensure that it is acceptable, appropriate, and comports with DONE guidelines and laws that pertain. Where a Certified Neighborhood Council is unsure whether a proposed expenditure is appropriate, it shall make a written request for guidance from the DONE on the matter before any commitment to expend funds is made or the transaction is completed.

2. Expenditure Oversight

The DONE may monitor and review any and all financial transactions made by a Certified Neighborhood Council as follows:

- (a) Computer based [on-line] review of any information concerning Commercial Prepaid Card transactions, negotiable instruments, or any other applicable method by which Certified Neighborhood Councils may access City funds and make financial transactions.
- (b) On-site review of any Certified Neighborhood Council's accounts, statements, books, records, receipts, invoices, or any other document that evidences any financial transaction.
- (c) A DONE in-house review of any Certified Neighborhood Council's accounts and business records prior to releasing funds to the Certified Neighborhood Council for the conduct of its business.

3. Admonition

When the DONE determines that a Certified Neighborhood Council has failed to account for its funds or has misused its funds, then the DONE may issue a Fiscal Responsibility Admonition Letter informing the Certified Neighborhood Council of the problem. Where the DONE deems it necessary, the Financial Responsibility Admonition Letter may request as follows:

- (a) That the Certified Neighborhood Council take specific corrective action to comply with Generally Accepted Accounting Principles or those prescribed by the DONE under the Neighborhood Council Funding Program.
- (b) That the Treasurer, or any other Certified Neighborhood Council representative, shall meet with the DONE staff to discuss accounting practices or any other financial matter involving the Certified Neighborhood Council and, thereafter, follow a remedial plan as prescribed by the DONE.

PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

4. Corrective Action and Remedial Measures

If the DONE determines that a Certified Neighborhood Council has misused its funds, then the DONE may impose corrective action or remedial measures on the Certified Neighborhood Council. The DONE's decision to impose corrective action or remedial measures, or both, is final; except where de-certification is initiated as set forth in Section 22.810.1(e)(2) of the Los Angeles Administrative Code.

5. Corrective Action

As outlined in the DONE's Fiscal Responsibility Admonition Letter, the corrective action prescribed by the DONE may include, but is not limited to, the following:

- (a) Denying funding requests for payment on purchases or transactions deemed unacceptable or a misuse of public funds.
- (b) Suspending all access to and the use of Certified Neighborhood Council funds, including Commercial Prepaid Cards or City issued demand warrants.
- (c) Reducing funding to a Certified Neighborhood Council in amounts that equal or approximate the amount necessary to compensate for, or remedy, any unacceptable purchase or financial transaction, or to redeem misused public funds; including any administrative or incidental costs associated therewith.

6. Remedial Measures

The DONE is authorized to impose remedial measures on any Certified Neighborhood Council when the Department determines that an unacceptable purchase, financial transaction, or misuse of public funds has occurred, or may occur, in violation of accounting principles, DONE guidelines, or laws that pertain. Any remedial measures imposed by DONE will be identified in a Fiscal Responsibility Admonition Letter and may include any combination of corrective actions and remedial measures that the DONE deems appropriate under the circumstances.

In an effort to insure that the Certified Neighborhood Councils operate in a fiscally responsible manner and to support the financial integrity of the Neighborhood Council Funding Program, the Department may impose the following remedial measures:

- (a) Require mandatory supplemental training for any treasurer or fiscal agent of a board or, if necessary, the entire board of the Certified Neighborhood Council.
- (b) Require that the Certified Neighborhood Council develop and commit to a written remedial action plan within 45 days from the date when the DONE mails a Fiscal Responsibility Admonition Letter imposing such a measure.

PLAN FOR A CITYWIDE SYSTEM OF NEIGHBORHOOD COUNCILS

- (c) Require that the Certified Neighborhood Council be placed on formal probation when the DONE determines that a Certified Neighborhood Council has been repeatedly deficient in its accounting practices or has consistently mishandled or misused its funds.
- (d) Require that the Certified Neighborhood Council immediately relinquish all access to, and tender all control of, its business records and funds to the DONE. The DONE may impose this measure when it determines that the Certified Neighborhood Council has not complied with the corrective or remedial measures outlined in a previous Financial Admonition Letter, the prospect of rectifying the problem is unlikely, or the circumstances require immediate action to safeguard public funds.
- (e) Refer the matter to the Commission with a recommendation that the Certified Neighborhood Council be involuntary decertified as set forth in section 22.810.1(e) (2) of the Los Angeles Administrative Code. DONE may recommend decertification when it determines that a Certified Neighborhood Council is incapable of handling its accounts, its Governing Body refuses to follow the advice, corrective action, or remedial measures outlined by the DONE, or the circumstances require immediate action to safeguard public funds.
- (f) Refer the matter to the appropriate department, commission, or law enforcement agency when the Department has reasonable cause to believe that someone has engaged in unlawful or criminal activity involving a Certified Neighborhood Council's public funds.
