Re: CBS Outdoors/ JCDecaux Street Furniture

Dear Bill:

Following a vote on March 17, 2009, the Venice Neighborhood Council Board hereby declares its opposition to the installation in Venice of all street furniture and its associated advertising per the current contract with CBS Outdoors/ JCDecaux. The VNC further requests our representatives and all hearing authorities act to rescind said contract, to require the removal of any street furniture already installed per said contract, and to oppose any subsequent pressures to permit the installation of street furniture and associated advertising, per the current contract with CBS Outdoors/ JCDecaux or per any other contract under the "Coordinated Street Furniture Program" (or any other such program), in any location in Venice.

Sincerely,

A handwritten signature in black ink that reads "Mike R. Newhouse".

Mike Newhouse  
President
